

The 31st Annual Kids Day
Benefiting Valley Children's Hospital
Tuesday, March 6, 2018

Dear Parents:

Each year, the community comes together to support the ill and injured children of Central California by donating to the Kids Day newspaper program. On Tuesday, March 6, 2018, Valley Children's Hospital, The Bee, ABC 30, and more than 7,000 volunteers in over 20 communities will hit the streets to sell the 31st annual Kids Day edition of The Bee.

Kids Day sales help Valley Children's provide high quality, comprehensive health care services to children, regardless of their ability to pay. The patients and families of Valley Children's rely on the support of our community to continue its mission.

I am excited to share with you that our school plans to participate in this year's Kids Day! Our school goal is to pre-sell _____ papers. To do that, we need your help! Please consider buying 1 or more Kids Day editions in advance to help us reach our goal! The suggested donation for each newspaper is \$1.

More exciting news is the top High School in Kids Day sales in Stanislaus and San Joaquin Counties will earn a 4-foot George the Giraffe stuffed animal who is the Mascot of Valley Children's Hospital.

Together with staff and students, we have several hundred people at this school. Let's work together and help the hospital that provides such amazing care to our children.

Please cut the order form below & place with order money in an envelope, and return with your child by **Friday, March 2nd.**

Thank you for your support, and for helping to teach our kids the importance of giving back to our community!

Best wishes,

Yes! I want to purchase the special **Kids Day Edition(s)** of The Bee to help Valley Children's Hospital!
